EXPERIENCE

Freelance UI/UX Designer
Mar 2021 - Present

Freelancer

- Designed end-to-end UI/UX for SaaS platforms, business websites, NGO digital initiatives and mobile applications across multiple domains.
- Worked on complex multi-role systems (Admin dashboards, role-based user flows, and mobile apps), including SaaS-based products and service platforms.
- Created user flows, information architecture, wireframes, high-fidelity UI, and interactive prototypes using Figma.
- Collaborated with stakeholders and developers to translate business requirements into scalable, user-centered design solutions.

Accenture
Feb 2024 - Sep 2025

Packaged App Development Associate

- Collaborated with cross-functional teams on enterprise application development with a focus on user-centric UI/UX enhancements..
- Assisted in developing and testing UI components using SAPUI5 and basic HTML/CSS for SAP-based front-end screens.
- Supported internal events by creating posters, visuals, and digital assets, strengthening team engagement and design presence.

IFT Media
Sep 2023 - Jan 2024

Social Media Manager & UI/UX Designer

- Spearheaded the redesign of the website and social media presence for Kiosk Kaffee, a prominent coffee chain across India, improving user engagement and brand consistency.
- Collaborated with cross-functional teams to enhance UI/UX across digital platforms, ensuring seamless user experience and high user retention rates.
- Managed multiple client projects, focusing on creating intuitive and functional designs that aligned with brand identity.

Globuzz Inc.
Jan 2023 - Aug 2023

Social Media Manager & UI/UX Designer

- Led the graphic design, video editing, and website management for various digital campaigns, ensuring alignment across social media and web platforms.
- Enhanced brand visibility through engaging digital content that improved user interaction and social media performance.
- Collaborated with web developers to optimize the website's UX, leading to 30% increase in traffic and improved user experience.

Shashi Dream Foundation
Apr 2021 - Jan 2022

Social Media Manager & Web Designer

- Redesigned the NGO's website to improve user navigation, resulting in a more engaging platform for visitors to explore the organization's mission and activities.
- Managed the NGO's social media presence, creating visually appealing content that increased awareness and engagement.
- Led the digital marketing efforts to raise funds and attract volunteers through well-executed UI/UX strategies.

CityFurnish
